“What is my status in the knighthood?”

The 5 year rule applies on both Squires and Knights. This means, that you have 5 years, from your last test, to update your Squire test: (Groundwork-lunge test and Squire test) to keep your status. This also applies for Knights. If a Knight can't show the Knight level or update a ring prove, when it's time to update, but instead can show a Squire test, he or she will then be a Squire.

If your Knight or Squire test already is older than 5 years, and you haven't updated the test before this year's Summer Academy, you will then become a member of the Knighthood (without voting right), and no longer a Squire or a Knight.

Squires that are updated will from the year they have signed themselves in to the Book of the Knighthood have the same rights as a Knight. This means that a Squire will write his or her name in to the Book of the Knighthood and as well get a number and the Silver knob for the whip. An updated Squire may also now vote at the Round Table and have the possibility to get a link with name and contact info on the homepage of the Knighthood. Remember to bring your Silver Knob to the roundtable.

IMPORTANT: If you are updating you Squire status you **have to remember** your receipt from your Groundwork-lunge test, if you wish to write your name into the Book of the Knighthood.

Prices:

Squire upgrade (if you don't have the whip decoration yet): 100 Euro. New Squire: 400 Euro. New Knight (if you already have the whip decoration): 200 Euro. It does not cost anything when you update, a longe-, groundwork-, or Knight test. Also the update of the new squire level (if you already have the whip decoration) is free.

Practical information:

- Your **family** is welcome for camping and barbeque but you may not bring adult family members or friends to join the program.
- **Dogs**
Please, do not bring your dog unless you really have to. We want to avoid any conflict between dogs or children and dogs at our place. If you bring a dog, it must be safe with other dogs and children and it is not allowed to run around unattended.
Danish law about dogs is very strict, if the police gets notice about a dog or human who was injured by another dog (for example from a vet or a doctor), the dog causing the injury is taken by the police to be euthanized. **NO MATTER WHAT THE CIRCUMSTANCES WERE!** Be aware of this, also when you are on holiday with your dog in Denmark.
- **Camping**
If you wish to camp at Lindegaarden, please book this in the application form.

Price: Adults: 10 Euro p/p/night

Kids under 14: free

If you have questions regarding camping please contact Kathrin (tannous@gmx.de)

- **Toilets and showers**

Do not throw sanitary articles into a toilet on Lindegaard! Neither in the houses nor in a trailer! Please tell this to your children, too. If anything falls in there, do not flush!

- If you would like to discuss a certain subject at the Round table or if you have any questions regarding the Summer Academy, please e-mail them well in advance to Michelle Wolf: mw@akademiskridekunst.dk
